A place made of places.

Paradise Cove Boutique Hotel in Mauritius is a collection of places, each with a story to tell, an experience to live, a moment to share. This peaceful 5* hideaway is one of the acclaimed Small Luxury Hotels of the World and underwent a major renovation in 2019.

Situated along the north coast of the island in Anse la Raie, Paradise Cove Boutique Hotel is an adults-only* hotel perfect for reconnecting. It has been thoughtfully designed so guests can spend precious time together, sharing special You&Me moments.

The hotel mixes classical grandeur with contemporary chic. The architecture and décor are traditional, exotic and timeless. Under an amazing and gigantic thatch roof, the wood and soft colours mellow the light... a prelude to what follows. This revamped boutique retreat boasts 75 rooms, with views over the Cove, blending contemporary touches and exotic decorations with chic bathrooms.

The Cove shelters a new swimming pool and there are numerous love nests to share calm moments together. The Peninsula, overlooking the turquoise lagoon, has spellbinding views over the northern islands. This hidden away area is a surprise for guests and has been completely

rethought, with coconut trees, sweet-smelling bougainvillea and lagoon views surrounding a stunning infinity pool. Up in this lofty position, guests will also find the Peninsula Restaurant, a trendy spot to share some tapas, and Peninsula Bar, the perfect place to watch the sunset with a cocktail.

The hotel offers a wide choice of land and nautical activities. The expanded Spa, under its majestic tree, is a haven of wellness, and there's the chance to have a couple's treatment in an outdoor massage area overlooking the lagoon. A new early arrival and late departure lounge with its individual cabins ensures the well-being of guests. For half-board and all-inclusive guests, there is a Dine Around experience in three of the four restaurants. At sunset, live acoustic music and the piano bar accompany perfect evenings.

All of this, together with our caring and smiling team providing personalised service, will make Paradise Cove Boutique Hotel a special and memorable stay.

Vegan fine dining by Chef Alexis Gauthier.

We believe veganism is a positive choice for the planet – and your tastebuds. We wanted to blow all misconceptions about vegan food out of the water and make heads turn with creative, beautiful and tasty dishes that excite all guests, not just vegan ones!

So we collaborated with Alexis Gauthier, a world-class chef who has held Michelin stars for 12 years.

A collaboration fueled by creativity.

We invited Alexis to come to our island and meet our chefs, visit our fresh produce markets, and learn about our local suppliers. Alexis worked alongside our Mauritian chefs to collaborate and create a five-course vegan fine-dining tasting menu, exclusively for Paradise Cove Boutique Hotel guests.

The signature vegan tasting menu by Alexis Gauthier is available at The Cove restaurant at extra cost. Get ready for a spectacular plant-based journey!
