

ENCHANTED ISLAND
RESORT
SEYCHELLES
FACTSHEET

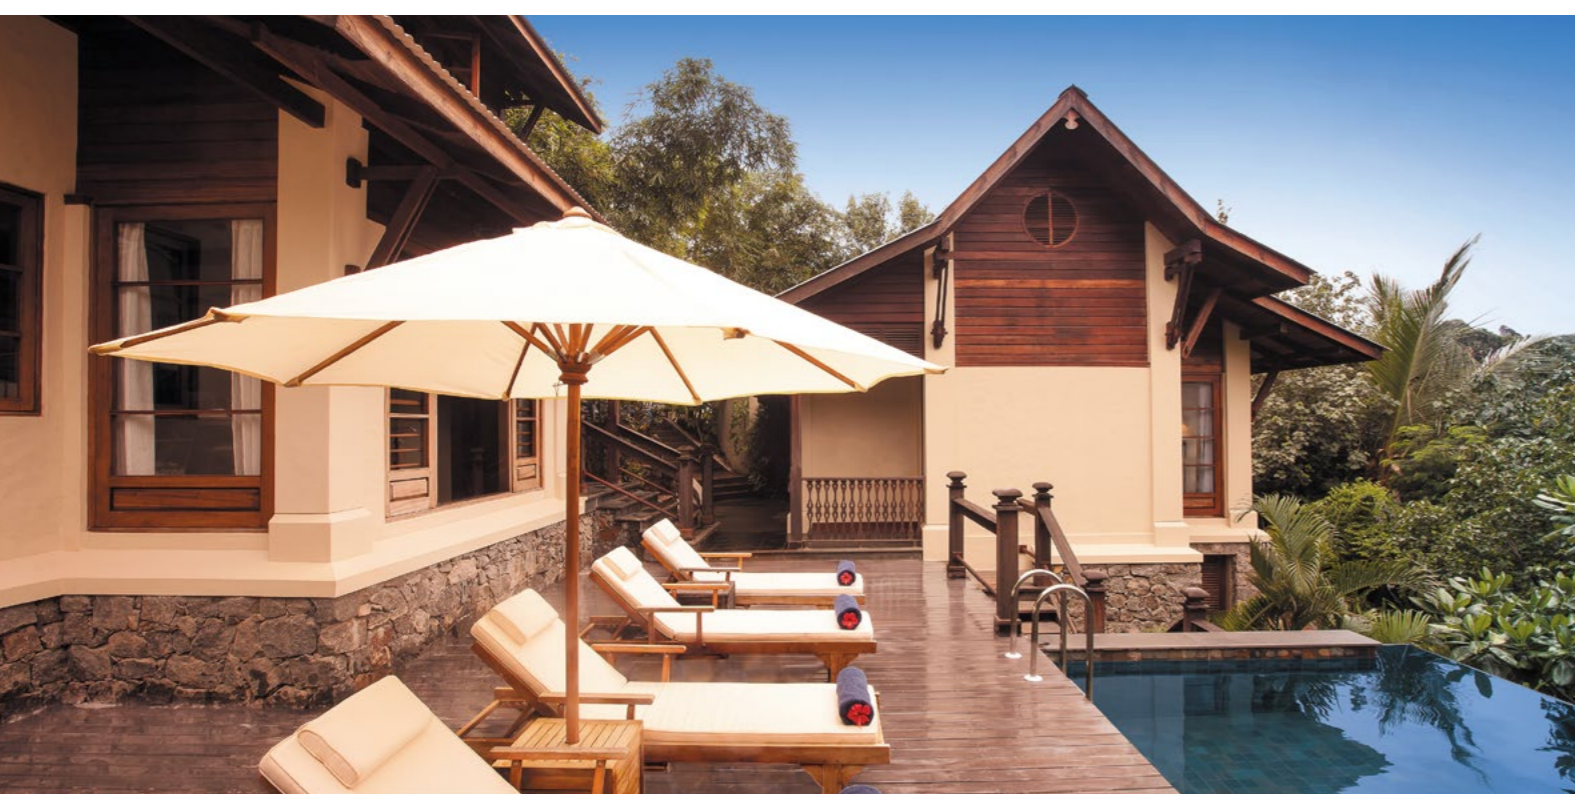

An aerial photograph of a tropical island. In the foreground, a small, lush island with dense green vegetation and a few buildings is visible. The water around it is a vibrant turquoise color, showing the seabed. In the background, a large, rounded mountain covered in green forest rises from the sea. The sky is blue with some light clouds. Several sailboats are anchored in the water.

THE MOST AUTHENTIC ISLAND EXPERIENCE IN THE SEYCHELLES

In a luxurious hideaway located in the midst of a designated National Marine Park in the Seychelles lies JA Enchanted Island Resort. With 5 acres of white sand and lush tropical vegetation, the island is surrounded by turquoise waters, which are home to some of the world's most colourful marine life.
