ALPHONSE ISLAND RESORT

LOCATION

Situated only 7th south of the equator the Alphonse group of atolls is considered one of the most pristine, untouched edens of the world, making it a nature lover's paradise. The magnificent island threesome comprising of Alphonse, St. Francois and Bijoutier lies in the very heart of the Indian Ocean as part of the Seychelles outer islands. Beautiful white beaches line the edges of the dense natural forest, interspersed with the remnants of old commercial coconut groves. And also the ancient ambling tortoises, scurrying crabs and an interesting array of bird species can be found on the island. Alphonse Island is an escape to the exquisite simplicity of a tropical island paradise, leaving behind the impositions of everyday life. The raw beauty of an untouched natural sanctuary in one of the prime protected fisheries in the far reaches of the Indian Ocean can be experienced here located 400km (250 miles) south-west of Mahé in the Seychelles.

HOTEL DESCRIPTION:

Recreation & Leisure Activity

Alphonse Island needs to be experienced to be believed... quiet picnics on secluded beaches, sunset cruises with loved ones, mesmerizing encounters with captivating marine life and blissful pampering treatments; all in picture-perfect surroundings that enhance every sensation. The geographical isolation of Alphonse Island creates an atmosphere of

undisturbed solitude where guests forget about the outside world and immerse themselves in all the natural wonders and unique experiences that the island has to offer. An action-packed holiday, romantic sojourn, or an idyllic beach break, Alphonse Islands offers both exhilarating and relaxing experiences.

Allophones Cycle Tour** A guides tour across Alphonse stopping at major landscapes and seascapes for guests to familiarize themselves with the forest trails and most secret spots on the island. During the tour guests will be informed about the early settlers of Alphonse and the changes from indigenous forest to coconut plantation. Learn about birdlife, fish and plants as you see every corner of the island with our knowledgeable guides.

Bijou TIER ISLAND VISIT stroll the deserted beaches and swim in crystal clear calm water on Bijou tier Island. This is a hotspot for turtle nesting. Guides will explain the life cycle of the beautiful turtles from hatching to laying their own eggs. Guests may get lucky and peer into the depths of the forest to see the nests of the Wedge-tailed shearwater, perhaps a mother or chick too!

Blue WATER FISHING experience offshore fishing like never before the unspoilt waters of Alphonse and st. François atolls are home to a vast variety of blue water species. The structure and sheer drop-offs are idyllic for species such as sailfish, Wahoo, dogtooth tuna, yellow fin tuna and Dorado. Each given day there is an opportunity to fight the reel and target these species for either a full or half day. **All activities are weather and tide permitting.**
